MCSFA Derby 2015

With a long and cold winter finally behind us, it's time to go fishing. The Salmon Derby starts the weekend of Saturday May 23, 2015.

Our derby requires all fish to weigh at least **10 pounds to be eligible**, there are no prizes for fish under 10 pounds. In addition, you must leave from a port in Manistee County and return to a port in Manistee County. We allow members to weigh as many fish as they want to, and will pay out multiple prizes to any one person that makes the top three on the board. There are three months of the derby. The June payout actually begins on the Saturday of Memorial day weekend and the August payout runs through the Monday of Labor Day weekend.

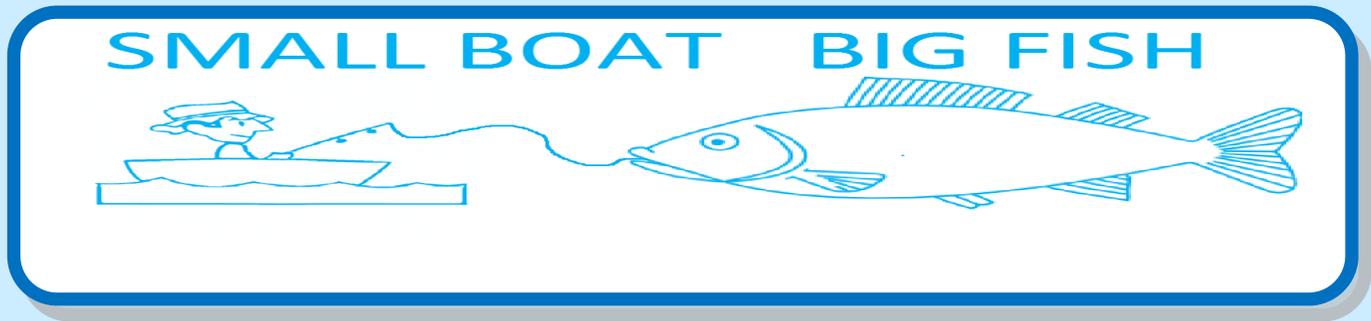

We would like to avoid any issues with fish weighed in for the derby, so I would like to go over the procedure. When you weigh a fish please fill out the weigh slip completely. We have had slips with no species or boat name etc. Also please take the yellow copy of your slip with you this is your record. You must also leave the white (original) copy with the weigh station so it can be collected. In the past we have had people mail in slips they had at home that would have placed in the derby. If we are not in possession of the weigh slip by midnight on Labor Day it will not count. You may not weigh a fish within 24 hours of your membership, so please get your dues in early. In case of a tie the first fish caught will win.

The official weigh stations for the MCSFA Salmon Derby are **Onekama Marine, Arcadia Marine, Insta-launch Campground, Tangled Tackle, Shipwatch Marina, and Riverside Charters**. The boards with the latest results are posted at the above listed businesses. They volunteer their time, and support the MCSFA throughout the year. I know that some of them have gotten out of bed to weigh fish for members, so please try to throw them some support for your boating and fishing needs.

You must be a member of the MCSFA to participate in our tournament. The MCSFA Ladies and Pro/Am are the **only** events where your big fish is **automatically** entered in the monthly derby.

If you are a MCSFA member and fish additional tournaments in Manistee, your catch is not automatically entered into the monthly derby. To enter a fish in the derby, you must weigh your fish at one of our weigh stations and submit a weigh slip. If you do not get a weigh slip, your fish will not be allowed.

A complete list of the rules can be found on our web site www.mcsfa.org.

Annual MCSFA Small Boat Big Fish Tournament August 1, 2015

This is a big fish tournament being held by the Manistee County Sport Fishing Association, for amateurs only. Weigh in your biggest fish only. Limit of 1 prize per boat.

Boats must be less than 25 feet and have an VHF radio. The entry fee is **\$60.00**. At least 1 person on each boat must be an MCSFA member. Registration for the tournament will be between 6 pm and 8 pm on Friday July 31, 2015 at the village park in Onekama. Advance registration by mail or in person must be received by the MCSFA no later than July 31, 2015. Registration forms are available at: mcsfa.org.

All DNR rules and regulations apply to this tournament and there is a limit of 9 rods in the water at one time. Sliders may be used; however, you are limited to 1 per rod. The maximum slider length is 72".

Fishing starts and ends at the ports of Manistee, Arcadia and Onekama, and is limited to Lake Michigan and Lakes Arcadia, Manistee and Portage.

Weigh-in stations will be located at the Onekama Park Boat Launch and the Arcadia Municipal Marina Boat Launch and Ship Watch Marina in Manistee. A tally board will be located at each site and information will be updated via telephone. Stations will be open for weighing from 11 am to 2 pm. It is the fisherman's responsibility to have their fish at the scales within the allotted times.

This is a one day tournament beginning at 6:00 am and concluding at 2:00 pm. The weather back-up date is Sunday August 2, 2015. In the event both days are canceled, all entry fees will be refunded. In case of bad weather, a tournament committee of MCSFA members will determine a go/no go status at 6:00 am and will make appropriate announcements on VHF channel 68. After that time, responsibility will be assumed by each captain, for their boat and crew. In case of early termination all fishing is to cease and all boats must return.

Payout will be for the 5 largest fish. 1st place is a guaranteed \$500 prize. Remaining prizes are determined by the number of entries. In the event of a tie, the 1st fish weighed in is the winner. All fish must be weighed by an MCSFA member. All fish weighed will require a signed affidavit that the fish was caught on your boat.

Fish will also be entered into the MCSFA Derby. There will be no award ceremonies. Winners will receive their prize checks in the mail.

Questions should be referred to Ken Franklin, 231-889-4048, Dave VanEerden, 231-645-9056 or Tom McCraner 231-631-4613.
