Aquatic Invasive Species

Manistee County's aquatic invasive species program is designed to educate boaters about preventing the spread of aquatic invasive species.

Did you know? Boaters can unknowingly transfer invasive species to new waters when they don't clean boats, trailers, and other recreation equipment. Aquatic invasive species disrupt lake ecosystems by crowding out native species and interfere with boating, fishing or other recreation.

To assist in the education efforts, Manistee County has a mobile boat power washing unit that is being used to host events at local boat launches each weekend in the summer. These boat washing events are organized by the program coordinator, Jennifer Scholl. Boaters will be offered a free boat wash to remove any potential invasive species and learn the 4 simple steps (Clean, Drain, Dry, Dispose) to help prevent the spread in aquatic invasive species.

Assist our efforts to stop the Spread of Aquatic Invasive Species!

To volunteer, ask questions, or learn more please contact Jennifer at jscholl@manisteecountymi.gov or 231-398-3576.

Board of Directors' Election

Each December, the MCSFA holds election of officers. When you become a member of the MCSFA, you have an opportunity to run for office. On the membership application, there is a place to check if you would accept a nomination for a board seat. If you did not indicate your interest at the time you registered, you may mail us or send us an email indicating your interest. Letters of interest must be received by November 6th. You can email mcsfa98@gmail.com. Or if you mail, send to PO Box 98, Manistee, MI 49660.

A board member will contact you personally to verify your interest. In addition, you will be asked to answer a series of questions in order for voting members to get to know you. Election post cards will be mailed to all members early December. New board members will be notified and will take their positions starting in January. If you have any questions, please feel free to email us at mcsfa98@gmail.com.

Our current Board of Directors is listed on the front of this newsletter along with the year their board seat expires. Their phone number is also included if you have any questions.
