## Letter from the MCSFA President, Kevin Hughes

The board election is complete and Lance Keene, current board member, Bruce Buchanan, former board member, and Cheyanne Bartynski, new board member were elected. Both Lance and Bruce have served on the board and we welcome them back as they both have made major contributions to the association.

Next, the election of our newest board member, Cheyanne Bartynski, is a milestone for the organization as she is the first female ever elected to the MCSFA board.

Cheyenne is a graduate of Ferris State University and majored in environmental Biology. She has worked the past summers for the DNR and the Little River Band Natural Resources department. Her parents are Paul and Amy Schlafley of Riverside Charters and she grew up fishing and helping out at the motel. Her husband is Jake Bartynski who runs Netminder Charters in Onekama. She is an avid fisher person and hunter and ran for the board "To be a part of an association in the fishing community that she is so actively involved in and hopes to make a difference."

Lance, Bruce and Cheyanne, our first female addition, and the rest of the board: Alex, Jan, Phil, Mason and Michael is why the MCSFA is an integral part of the fishing community in Manistee County. We are fortunate to have such skilled and dedicated board members.

### Calling all Small Boats!!! It is our time to shine!

The small boat tournament is coming back! We are moving it forward to May 2nd. You know what that means! Spring Browns, Lakers, Steelhead, and of course, a chance at an early spring King, right along our wonderful beaches of Lake Michigan!

There are many of us that already take part in this early season big lake fishery, so why not make it a little more fun?! A **\$500 guaranteed 1st place payout** for the biggest fish caught. This tournament is meant to bring out all of us that are already out there doing what we love. Join as a community and do it together.

This is a low pressure, small boat tournament, that is sure to be a lot of fun! Boat sizes between 14ft and 22ft in length are all eligible to fish! There will be more details to come as we get closer to spring. But as for now, have a safe, happy winter, and we will see you soon! Any questions call Michael Linke @ 231-233-8191.
